

Dear School Administrator,

I would like you invite your school to participate in a fun and creative fund raiser for your school.

Last year the ‘Pizza Pies for School Supplies’ raised hundreds of dollars for 4 area schools. It’s easy and we do all the work.

Heres how it works: The students will create pizza recipes from the item list provided by Zhanras Restaurant. Our Chef’s will choose the most creative and tastiest, and announce the winning students name and grade to the school. Zhanras will sell the pizzas to the public and donate 10% of the sales back to the school. The students name, grade and school will appear on the special sheet at the restaurant for one week.

Week 1 will feature 5th grade, week 2 will feature 4th grade and so forth. The student with the best selling pizza will win 1 free pizza per month for the entire summer. The overall highest seller will win a prize, to be announced.

We ask that you help us announce and promote this fundraiser through your student newsletter. We hope you will announce the event , and return the recipe sheets by March 3rd.

Please let me know who the contact person is and he preferred method of communication and don't hesitate to call with questions. Thanks, Ted McLemore
